SCRUB SINK - OPTION
DIGITAL TIMER

SUBMITTAL DATA

-DT - Digital Timer

Digital timer automatically starts with faucet activation. Available as a factory installed option only, on both the J-770 Series sinks with sensor faucets and JKS-770 Series knee activated sinks. When hands are removed from sensor range or knee panel is used to stop water flow, the display stops and is automatically reset for the next user.

- Easy to read LCD display
- Battery operated, 10 year typical expected life. no AC power required for timer.
- Soft backlight available when using low voltage AC power supply.
- Elapsed time resets automatically
- Available factory installed only, on Just pre-piped scrub sinks.
Note: not for use with manual override faucets
